Dear Art:

Just a brief note to let you know how much I appreciated your briefing the other day. Both my staff and I now have a much better understanding of the many considerations which bear on our responsibilities. It would be useful in the future to have an updating briefing for my staff as significant progress is made.

Again, I want to express my appreciation for your taking the time out of your busy schedule to brief us.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bill", with a small dot above the "i".
